Eddie Bio

BUSINESS DEVELOPMENT **SUPPORT NEWCOMERS** **SOCIAL AWARENESS**

Eddie is the founder of **OneHub Business Development Centre** and **Canada Business Enterprise Inc.**, currently managing over a dozen companies in Canada and overseas as CFO and senior executive. His business has been expanded by establishing **OneHub Growth Organzation** serving Markham Asian community.

Eddie held a leadership position for many years at Acer Group, a leading multinational IT provider with revenue reaching US$13 billion in 2013. During his engagement with Acer, Eddie helped Acer setup China operation, implemented special projects, including business strategy development, downsizing, cost reductions, process reengineering, strategic relocation and inventory management which helped Acer build functional excellence and accelerate growth.

In terms of his education field, Eddie pursued his first degree in finance and administration in Hong Kong, where he also subsequently took his MBA. Eddie also obtained an EMBA in Supply Chain from the ETH Swiss Federal Institute of Technology in Zurich. (ETH Ranked in the top 10 best global universities in the world according to The Times Higher Education and other organizations).

WE HELP YOUR BUSINESS PRODUCE

Eddie pursued his first degree in finance and administration in Hong Kong, where he also subsequently took his MBA. Eddie also obtained an EMBA in Supply Chain from the ETH Swiss Federal Institute of Technology in Zurich. (ETH Ranked in the top 10 best global universities in the world according to The Times Higher Education and other organizations).

China experience

- In 1986, Eddie joined a pioneering firm to establish five world-class restaurants in the Shenzhen International Trade Business Centre, the first restaurants of their kind in China.
- In early 90, Eddie helped Acer Group setup Acer China in Beijing HQ
- In 2000, also worked as a venture capitalist responsible $230M for executing investment opportunities in Shanghai and Hong Kong.
- In 2005, worked as a task force team, strategic relocated Acer Beijing HQ to Shanghai.

ABOUT EDDIE LEE

BUISINESS MANAGEMENT | SME BUSINESS SUPPORT | FRANCHISING | BUSINESS TRAINING

With over 30 years of finance and operations experience, Eddie Lee is the founder of OneHub Business Consulting firm, First Financial Controller Inc., and Canada Business Enterprise. Eddie manages over a dozen companies in Canada and helps overseas organizations as a CFO and senior executive. He also focused on serving the Ontario community by established non-profit OneHub Growth Organization.

Eddie's business background is rich and encompasses different premier organizations and work. Eddie devoted most of his years at the Acer Group, a leading multinational IT provider, as a leader overseeing their international financial operations. During this time, Eddie helped Acer set up their China operations and implement special projects across the globe. Examples included business strategy development, downsizing, cost reductions, process reengineering, strategic relocation, and inventory management, which helped Acer build functional excellence and accelerate growth.

SUPPORT NEWCOMERS | SOCIAL AWARENESS

Eddie's tenure living in Europe for over ten years also allowed him to exercise his soft skills. The extensive working experience he gained from working in cities across the globe such as Toronto, Winnipeg, London, Zurich, Milan, Paris, San Jose, Barcelona, Stockholm, Hong Kong, Taiwan, Beijing, and Shanghai shaped him into an effective leader. He is familiar with the customs of all kinds of people and works well with them in various environments and settings. Eddie incorporates many ideas and knowledge from different cities into his work.

During the first few years in Canada (2012-2016), Eddie worked as a controller with Nygard International, a leader in women's fashion in Canada, to enhance growth and reduce costs. Over four years, he successfully provided financial management and analysis to drive business performance growth and continuous improvement.

OneHub Growth Placement Point

OneHub Growth Placement Point

OneHub Growth (OHG) Placement Point is an employment initiative for unemployed individuals to secure long-term labour-market integration through our work-practice platform.

Our unique placement point will benefit over 100 individuals in the next 3 years. The placement point will be the stepping stone, or transition for entrepreneurs and job seekers.

Our unique business model

- The Placement Point will support **youth, women, newcomers,** and **mature workers** seeking Canadian working experience
- We provide opportunities for these candidates to gain hands-on Canadian experiential work at our Placement Point
- The Placement Point will have a virtual company; candidates will experience a career enhancement program through running this virtual company
- Sponsors have an opportunity to sell their products through the Placement Point and give candidates the experience they seek
- The candidates learn business strategies to sell & manage sponsor products with mentor support
- The profit will be realized and will be distributed back to the candidates of the Placement Point

What we are looking for

Board Advisors

Product Sponsors

Funding Sponsors

Business Coach

Business Mentors

We seek your kind support in helping this business model come to fruition.

Four Phases of Integration

「安加建業」計劃

Pre-Land
To understand the general environment of Canada and mindset needed before coming to Canada.

Settlement
To accelerate settlement of life in Canada.

Career & Education
To start a career in Canada and the steps need to take to maximize confidence, personal branding and potential of the individual.

Integration
To further integrate into Canadian mainstream and leading in the community.
