ABOUT EDDIE LEE

Eddie is the founder of **OneHub Business Development Centre**, **First Financial Controller Inc.** and **Canada Business Enterprise Inc.**, currently managing a dozen companies in Canada and overseas as Director, CFO and senior executive.

Eddie held a leadership position for many years at Acer Group, a leading multinational IT provider with revenue reaching US\$13 billion in 2013. During his engagement with Acer, Eddie helped Acer setup China operation, implemented special projects, including business strategy development, downsizing, cost reductions, process reengineering, strategic relocation and inventory management which helped Acer build functional excellence and accelerate growth.

Living in Europe for over ten years, Eddie proved the effectiveness of his leadership with extensive experience working in cities across the globe including Toronto, Winnipeg, London, Zurich, Milan, Paris, San Jose, Barcelona, Stockholm, H.K., Taipei, Beijing and Shanghai.

Eddie more recently worked with Nygard International, one of the Canada's largest women's fashion companies, to help it grow and reduce costs. Over a four-year period, he successfully provided financial management and analysis to drive business performance growth and continuous improvement.

Eddie started his career in Mandarin Oriental Hotel Group in 1981. In 1986, he joined a pioneering firm to establish five world-class restaurants in the Shenzhen International Trade Business Centre, the first restaurants of their kind in China. In 2000, Eddie worked as a venture capitalist responsible for executing investment opportunities, and provided incubator support for startups in Shanghai and H.K.

Eddie pursued his first degree in finance and administration in Hong Kong, where he also subsequently took his MBA. Eddie also obtained an EMBA in Supply Chain from the ETH Swiss Federal Institute of Technology in Zurich. (Ranked the 10 best global university by The Times Higher Education and other organizations)
