Meet Our Coaches

➤ About Eddie

Eddie With over 30 years of finance and operations experience, Eddie Lee is the founder of OneHub Business Centre, First Financial Controller Inc., and Canada Business Enterprise. Eddie manages over a dozen companies in Canada and helps overseas organizations as a CFO and senior executive. He also focused on serving the Ontario community by established non-profit OneHub Growth Organization.

Eddie held a leadership position for many years at Acer Group, a leading multinational IT provider with revenue reaching US\$13 billion in 2013. Throughout Eddie's career, he has proved the effectiveness of his leadership in cities across the globe including Toronto, Winnipeg, London, Zurich, Milan, Paris, San Jose, Barcelona, Stockholm, H.K., Taipei, Beijing and Shanghai.

➤ About Dave

Dave is a Training and Development strategist and leader with over 12 years of experience in sales and sales management and 18 years of Training and Professional Development. Dave specializes in curriculum design, sales training, interpersonal skills, coaching and leadership development. Dave has diversified experience in delivering effective learning programs in health care, pharmaceutical, engineering, energy sectors. Dave has developed and implemented global training programs in Canada, US, UK, India, China, Asia Pacific, Middle East and South America.

Dave's collaborative approach to content development involved learners and stakeholders to participate in creating effective learning solutions that gear towards the learner's needs. By designing and facilitating interactive learning programs resulted in the effective transfer of acquired knowledge and skills into real-life applications. Dave has a dynamic and interactive facilitation style that enables learners to actively participate that contributes to the overall success of his learning programs.

➤ About Omar

Omar as a partner of First Financial Controller Inc., **Omar** also is the founder and CEO of Executive 2000 Institute, and an exceptional visionary with over 30 years specialized in recruitment, organizational and leadership development. Additionally, Omar devotes his life time to character-building and education. He was the co-author of “The Inner Global Village,” a book that became one of the most important works in developing tomorrow's leaders by infusing children with leadership character.

Omar first came to Canada on scholarship after achieving first degree in Exact Sciences at the University of Algiers. He subsequently earned a bachelor’s degree in Business Sciences and Engineering followed by an Engineering Doctorate in Operations Management from Laval University in Quebec.

➤ About Samuel

Samuel Fung is currently in a post-graduate program at the University of Toronto, where he also holds a Honors Bachelor of Science Degree. Since his undergrad, he has been interested in applying critical thought to pedagogy and the scientific method. He has served as a Philosophy TA for Critical Reasoning, been involved in campus debates, and recently scored in the 98th percentile on the Critical Analysis and Reasoning Section (CARS) of the MCAT. Samuel has published multiple papers in peer-reviewed journals and is currently working to unlock the mysteries of the brain and spinal cord as a neurobiologist.
